## YOU'RE INVITED to Minnie's Blue & Gold 101st birthday party!

**Who:** Interim Care resident Minnie Steski

**What:** Celebrate with Minnie, Blue Bombers alumni Rod Hill and Stan Mikawos as well as Buzz and Boomer

**When:** Today! 2-3 p.m. Wednesday, July 13, 2016

**Where:** Misericordia Health Centre, GWL Rooftop Garden & Solarium (take elevator B to the 7th floor)

**Why:** Minnie has been following the Blue Bombers since she was a teenager and for her birthday this year she'd like a Grey Cup win.

While we can't guarantee the Bombers hoisting the cup, we can throw a blue and gold party for her!

Minnie reminisces a lot about the Bombers' playing history; her favourite coach of all time is Bud Grant. She also remembers when she saw a car for the first time!

Minnie can't believe she's going to be 101. "Imagine that! I can hardly believe it; (my motto is) just live each day as it comes."

An X-ray technician for 37 years, Minnie travelled the world when she retired - while remaining a Blue Bombers season-ticket holder - and golfed weekly until she was 90.

These days Minnie is living at Misericordia Health Centre and still doesn't miss a Bombers game on TV!

**What to bring:** questions, notepads and pens, phones, cameras and TV cameras
